

L'Associazione
Messinese di Montreal

Dear CWA Parents,

We are happy to announce that next Tuesday, December 12th, your child will be getting a hot plate of pasta (with tomato sauce) for lunch graciously provided by the Italian Messinese Association of Montreal. On this day, please provide your child with their morning snack, a drink and fruit for lunch. If your child does not want or cannot have pasta, please provide them with their lunch as usual.

The Messinese Association is an Italian organization that was created in 1981 and organizes a variety of events throughout the year in Montreal. They have raised funds for various causes such as research into children's diseases and hospitals including the LaSalle General, Montreal General, and the Montreal Children's. One of their many goals is to give back to school communities and this year our school was chosen.

On behalf of the CWA students and staff, we would like to thank the Associazione Messinese di Montreal for their kind generosity and we look forward to a great pasta lunch.
