

Rafiki Bracelets

Being a friend to the world means making sure everyone gets the opportunity to lead the life they want. The grade 5 and 6 student council members are fundraising by selling handmade rafiki bracelets to help Kenyan artisans earn money for themselves and their families so they can be happy and healthy, and their children can have access to education.

Rafiki means "friend" in Swahili! For every rafiki bracelet that you buy, five dollars goes towards our WE Villages Project. Each rafiki bracelet is \$10. There are different "theme" colours, each supporting a different cause. There are also a number of different special order rafikis.

Can be worn as a bracelet, necklace, anklet, headband and more!

Please use the order form below.
Orders are due on **December 7, 2017**

Makes a great gift!

Each bracelet is made with different colours.
Colours are listed beside each bracelet.

You can see what each rafiki bracelet looks like in the school lobby on portfolio night Thursday, November 30th or by visiting the "Me to We" website at <https://shop.metowe.com/ca/we-are-rafikis> . (Please note we are only taking orders for rafiki bracelets listed below).

Sincerely,
CWA student council members and grade 6 teachers
