Dear CWA Families,

The purpose of this evening is for you to meet your child’s teacher, see the classroom and for the teacher to cover expectations and procedures. This evening is for adults only. Please do not bring your child(ren) on this evening.

Each classroom teacher or team will be making a presentation prepared for parents regarding:

- Curriculum and program
- Classroom procedures and expectations
- Homework routines
- Evaluation and reporting

Please note that this is not a time for individual meetings or interviews. Should you have specific concerns or questions related to your child, please request to arrange a meeting with your child’s teacher at another time. We appreciate your understanding with respect to this point.

We remind you that the staff parking lot will not be available. Please use street parking. Thank-you in advance for your cooperation.

Sincerely,

Tony Di Vittori
Principal
