**REMINDER TO ALL PARENTS THAT NUTELLA CANNOT BE BROUGHT INTO THE SCHOOL DUE TO ALLERGIES!**

# Grade 6 Exhibition

ELECTRICITY

The grade six students and their teachers are happy to invite you to their exhibition on how we share energy worldwide. They have inquired about the different forms of energy and its production, the equal opportunity to access energy and the conservation and consumers' responsibility towards energy. They have been working hard on their projects and look forward to sharing their knowledge with our CWA community on **Thursday, February 8 from 3pm to 5:30pm** in our school gymnasium. Hope to see you there!

## Music Class Updates Recorder Karate

Our **Canada 150** theme continues, this month we have learned about music from Quebec, next up our neighbour Ontario!

Students in **grade 3 – 6** have just started working on the Karate Belts in music class! Be sure to check out Google Classroom for play along videos and a copy of their booklet.

**Grade 2** is discovering mood through music in our study of *Peter and the Wolf*! At home try listening to classical pieces to see if your child can identify the "color" or the "mood" in each piece!

In **Grade 1** we are working on creating and performing rhythms using percussion instruments.

In **Kindergarten** we are busy learning new songs and keeping the beat with our colorful rhythm sticks! We are getting really good!

## Action at Home!!!

Is your child singing at home or performing for you? Grab a quick picture or video and sent it to Mrs. Favreau! We will be showcasing students taking action in music in our assemblies!

The time is quickly approaching for us to appreciate the people who take care of our children every day. Staff appreciation week starts on February 26th and includes all our CWA teachers, support staff and daycare educators. Collectively, their efforts help create a safe and happy environment for our children where they can enthusiastically learn.

We would like to ask for help from all of you. We would like to offer our CWA staff a small token of our appreciation in the form of a gift card. If you would like to make a small donation, we would ask for **gift cards valued at \$5.00 or \$10.00** from vendors you feel staff would like to buy from, for example, Tim Horton's, Starbucks, McDonalds etc.

You are under no obligation to make a gift card donation but if you can, then please submit them to the office in a sealed envelope labeled "H&S-Staff Appreciation" **no later than February 14, 2018**. We will then prepare these items to be gifted to our wonderful staff at CWA during the luncheon planned for them during Staff Appreciation week.

If you have any questions, please feel free to contact Laura D'Adamo at [ldadamo@videotron.ca](mailto:ldadamo@videotron.ca)

We thank you in advance for your support and help in making this week a success for our CWA family!

Regards, Staff Appreciation Committee

### CWA Daycare News February Highlights!

Our **January 29<sup>th</sup>** ped day was very successful! The company Club Fy was here and the children had a blast!

**February 9, 2018:** In-house ped-day. Our theme is based on the IB profile which is *caring*.

In February, CWA daycare will be introducing some interesting projects and activities. Many of

our educators have some special talents and the children will be introduced to knitting, weaving, cooking, beading, building and creating with various tools and materials.  
A schedule will be posted near the daycare door.

Who Am I?

With the help of the clues below, see if you can guess the identity of our mystery staff member. The answer will be revealed in next month's Globe newsletter.

I was born in the month of May and grew up in NDG with my sister. I attended St. Monica's Elementary School where my favourite subject was math. I didn't really think about what I wanted to be when I "grew up" because I was too busy playing outside! In fact, I still love hiking, camping and spending time outdoors. I even did horseback riding and some amateur show jumping for 3 years. I've always worked with kids: I taught in the Arctic for 8 years and have been working in schools for many years (although I'm relatively new to CWA!). Some of my favourite things include the movie The Princess Bride, listening to music by REM, Sting, and Ben Caplan (Google him!), the colours blue and green (like CWA!), and pasta – all shapes and sizes! On my days off you'll find me doing odd jobs and projects at home and spending time with my wife and kids – of whom I am most proud! One last thing: I have the best job in the world!

## CONTINGENCY PLANS

---

The Lester B. Pearson School Board will attempt to broadcast all cancellations on radio stations CJAD (800) and CBC (88.5). You can also check the board web site at

<http://www.lbpsb.gc.ca/eng/home.asp>

In the event that school must close during the day due to an emergency situation (i.e. power failure, burst water pipe, etc.), your child must know where to go if no one is at home. Please discuss with your child what to do if he or she should come home and you are not there. It may happen occasionally that you may be stuck in traffic or at a metro station, or the school may have to close unexpectedly. All children from K to 6 should know what to do in such circumstances. Arrangements should be made with a neighbor or relative close by to ensure that your child is in a safe place in case something unexpected happens.
