March 16	Free Dress Down Day - St. Patrick's
March 19-23	Spanish Week
March 23	Geordie Productions
March 26	Grad photos
March 29	Pizza Lunch
March 30	Good Friday

March is National Nutrition Month

Good eating habits start at a young age! Let's empower our students to make good food choices and sustain good eating habits for their entire lives. To do this, nutrition education is important!

March is Nutrition Month, but eating well is important all year round. Our students' academic performance and health depend on it! With your help, we can bring the importance of nutrition into every classroom.

PARKING REMINDERS

Parking reminders: We would again ask parents to please respect the parking lot restrictions and refrain from using the parking lot between the hours of **7:30 and 3:00**. Thank-you for your understanding and cooperation!

Please remember to cross streets only at corners or crosswalks and when you are driving near the school please reduce your speed and watch out for our students.

Please respect the handicapped parking zones near the daycare doors.

If you have read to this point please e-mail Miss Lynn at lcloss@lbpsb.qc.ca

Coordinator's Corner

We are all looking forward to the March Break to unwind. It can also be a time for our students to discover new places, new sports and maybe take action!

I am challenging them to be inquirers, communicators, risk-takers, caring, reflective, thinkers, balanced, open-minded, principled, and knowledgeable during this break by creating presentations of any form to be displayed at the school. Since our students are very good with technology, they can also take pictures, create a video or a Google Slide presentation.

This challenge is open to showcase their creativity.

**STUDENT
DROP-OFF
AND
PICK-UP
AREA**

Student Drop Off

Students should be dropped off for school in the playground until 7:55 a.m. Please remember that students should **NOT** be dropped off at the front door until **AFTER 7:55 a.m.**

Here are a few suggestions for future outings and books that might interest your family.

McCord Museum: *The Topsy Turvy Storyland, A toy exhibition* <https://goo.gl/1QPPpZ>

Grade 6 Primary Years Program Exhibition 2018

The CWA Grade 6 students' PYP exhibition about our needs for energy, on February 8, 2018 was a great success.

Students inquired about the different forms of energy and their production, equal opportunity to access energy, conservation and consumers' responsibility towards energy.

Their presentations clearly demonstrated that they were knowledgeable and great communicators. Students were engaged in a collaborative process since the month of November. They were able to communicate effectively, in English and French, about different topics. A variety of energies were explored: biomass, hydro-electricity, natural gas, solar energy, etc.

This exhibition had a positive impact on the students, the teachers and our CWA community. This year we had the pleasure to have amongst our guests the Director General, Mr. M. Chechile, the Chairperson, and Mr. D. Meloche, Regional Director from the Lester B. Pearson School Board. Everyone who attended gained information about how energy plays a huge part in our everyday life.

I would like to thank the teachers that gave their time to help out as mentors or for the exhibition set

up, the parent volunteers and all of you parents that have supported your child during this adventure.

A very BIG THANK YOU to our Grade 6 teachers, who year after year make this exhibition happen!

S. Bouchard
IB PYP Coordinator

Thank You

We would like to thank the Home & School for all they did for Staff Appreciation Week

Reminders

Absences

Parents must call the school absence line (514-595-2043, ext. 3) or email directly to lcloss@lbpsb.qc.ca when their child is going to be absent from school. Daycare is ext. 2

It is important to let the office know of any absences because if Miss Lynn is NOT informed she will be calling to verify that your child is not in school. She starts calling at 8:30 so PLEASE call or e-mail her before then. Thank you.

Parents are asked to arrange medical and other appointments outside of school hours or on school holidays in order to avoid students missing valuable instructional time. **Family vacations should follow the school's recognized holidays and PED day schedule. Any time taken away from in-class instruction may hinder progress and learning expectations.**

Lates

Students are expected to arrive on time for school. **The school doors in the school yard entrance open at 7:45 am. Students MUST be in class by 7:55 a.m. when classes begin.**

Children who arrive late miss valuable instructional time, interrupt the lesson that is in progress and do not learn to value the importance of punctuality. Arriving late also created unnecessary anxiety in young children. **Students who are late will serve recess, lunch, or ped. day detentions to make up for the time missed (exception for medical appointments only).** Parents of students who are repeatedly late will be contacted to determine further remedial action.

Early Dismissal

Parents are requested to send a note to the teacher when seeking early dismissal for their child. If child is to be picked up during lunch time (11:15 – 12:30), parents must go to the Daycare entrance as the office will be closed.

Should there be a sudden change of plans, or any departure from a child's regular routine at dismissal, parents are to inform the school secretary **BEFORE 1:30 p.m.** **Telephone requests made after that time may not successfully reach the student.**

On behalf of the Home and School Staff Appreciation Sub-Committee, we would like to thank all of the parents who helped make Staff Appreciation week a great success. We were able to offer something each day of the week to the entire staff. They had yogurt parfaits, hand sanitizers, coffee and tea in a nice travel mug, a great luncheon, Popcorn bar, fruit & cheese, customize fortune cookies and baked goodies to bring home. We were also able to gift each staff member with a gift card for their enjoyment. This was all possible thanks to the generosity and support shown by the parents. Thank you for showing our staff the appreciation they deserve!

To our CWA staff, thank you for what you do for our children each and every day, your time and effort does not go unnoticed!

“It takes a big heart to teach young minds!”

Happy Birthday!
