- April 19 Cabane à sucre at CWA
- April 20 Boardwide Professional Day
- April 24 Inflatable planetarium for Grade 2
- April 26 Pizza Lunch
- April 27 \$\$ Dress Down Day

DRESSING FOR THE WEATHER

During the April and May showers period, please make sure that your children dress appropriately for the weather, i.e. rain boots, k-way pants and jackets if necessary. We have a very limited amount of replacement clothing on hand so it might be a good idea to have a change of clothes for your child at school or make sure they are dressed in waterproof clothing.

Please note that all children need to go out for recess and at lunch. Except for severe asthmatics all children will go outside unless we have a note from the doctor.

CWA Students in the News

GYMNASTIQUE. Dix athlètes du Club Jeune Aire de Lasalle participeront à la finale de la Coupe provinciale qui aura lieu en mai, à Drummondville.

Au terme de deux compétitions provinciales, seules les 24 premières gymnastes de chaque catégorie avancent directement au championnat provincial.

Chez Jeune Aire, **Sydirah Puckerin**, Jastina Robinson, Yasmine Khodja, **Maya Matusz**, Hailey Meloche, Vittoria Whitteron, Maya Patel, Megan Pernatozzi, et Malika Dubé se sont qualifiées.

Qualifications provinciales

Le Messenger de Lasalle, 8 mars, 2018

2018-2019 Year Calendar

We have been receiving phone calls about the first day next year. Here is the info –

First day back for student for the 2018-2019 school year will be Wednesday, August 29th

There's nothing quite like a visit to a Cabane a Sucre when the weather warms up. The exciting news is that your Home and School Association

will be bringing the fun to CWA with a Cabane a Sucre mobile. On Thursday, April 19th, the children and staff will enjoy taffy on snow along with festive music. Enjoy!

Coordinator's Corner

On April 22nd, it will be Earth Day around the world. Environmental awareness is taught through our IB Programme of Inquiry. Being respectful and appreciative are two of the attitudes promoted in our school.

David Suzuki says that it is not politicians but children who hold the key to save the world from climate change.

Here are a few environmental facts. Let's hope that our children will be wiser than the last generation!

- **35 % - The increase in global carbon emissions from burning of fossil fuels since 1750.**
- **Worldwide nearly 50 % of food is wasted after production.**
- **54 kg - The amount of newspaper that needs to be recycled to save one tree.**

Through our units of inquiry placed under the transdisciplinary theme "Sharing the Planet", our students have the opportunity to learn about the challenges met by all beings on Earth and ways to take action.

Send me an email and picture should you witness your child take action to make the Earth a better place to live.

March Daycare News

Welcome back **CWA Daycare** kids and parents! Hope you all had a wonderful and restful March break!

Our monthly daycare activities continue with some slight changes. Due to March being such a short month, our monthly activities will be extended until the end of April. Some of the fun activities include, cooking, bead weaving, basketball, and stained glass painting etc...For more information, the schedule is posted just outside the daycare room.

There's a new lunch time computer schedule with Mme France.

Our next **Ped Day is April 20, 2018**. CWA presents **LAA Nitros Netball** a fun activity which the children will learn the fundamentals of netball through skillz 'n' drillz- focusing on passing, learning positions and foot movement. Before they play a game of netball.

🎵 Music Class Updates 🎵

Students in **grade 3 - 6** have just started working on Ukulele in music class! So far they are **LOVING** it! Be sure to check out Google Classroom for a copy of their booklet.

Upcoming Dates

Monday May 7th

Music Monday is an annual initiative that brings together thousands of Canadians! The idea is that if one were to open the front door of his or her home and stand on the street on the first Monday in May, one would hear music and the skies would be filled with melody. This will be our very first year participating!

May 30th

Grade 3 Musical at 6:30pm

May 31st

Grade 1 & 2 Musical at 6:30pm

Action at Home!!!

Is your child singing at home or performing for you? Grab a quick picture or video and send it to Mrs. Favreaul We will be showcasing students taking action in music in our assemblies!

Who Am I?

Did you guess January's mystery staff member with the clues provided? If you guessed CWA's new principal "**Mr. Di Vittori**" you would be correct! Here he is in his younger days!

Ready for the next **Who Am I?** With the help of the clues below, see if you can guess the identity of our mystery staff member. Look for the answer in next month's Globe.

Who Am I?

¡Hola! I was born in the month of March and grew up right here in LaSalle with my identical twin sister, my two older brothers, and our pet dog. I attended Laurier Macdonald Elementary School where my favourite subjects were art and science. When I was younger, I dreamed of becoming a veterinarian or a teacher. Well, one of my dreams came true: I've been teaching for 3 years and I love it! My twin sister is also a teacher! My favourite colour is purple, I enjoy listening to Spanish and contemporary music, and I like to knit. Some of my other favourite things include the movie "The Lion King", exercising (running, crossfit and yoga), and eating pizza and cheesecake ☺ (did I mention that I go to the gym?). On my days off, you'll find me spending time with my family and friends, shopping, or planning my next travel adventure. One last thing: I speak four languages! Can you guess which ones?

Who Am I?

LICE

LICE

Parents – we need your help in preventing the spread of this annoying problem. Should your child come home with a lice infection please remember to inform the school immediately. As well, we encourage all parents to regularly check your child’s hair for nits (eggs) once a week. We need your help to make sure that we keep this health issue in check!

Please call or e-mail Miss Lynn at lcloss@lbpsb.qc.ca

Some parents have recommended a product called Rosemary Repel shampoo from “Fairy Tales” for effective prevention against lice. Unfortunately this product is available only by mail order from the US, but if you are interested, here is a link to their website:

CWA Eco-corner

Hi everyone, April 22 may be officially Earth Day but throughout the year the CWA Green Committee helps the school to become earth-friendly in its everyday activities and events. Since 2014, the Green Committee has been making the school more ecological and sustainable in activities such as:

- the annual Fall Corn Roast: implementing waste triaging, composting and recycling to reduce garbage from 15 bags to **only about 3 bags of landfill for an event of at least 500 people**
- Pasta Night: By using compostable dishes, utensils and cups, along with waste triaging, composting and recycling to reduce all garbage to **only 1 bag of landfill for an event of at least 200 people**
- Breakfast with Santa: By using compostable dishes, utensils and cups, along with waste triaging, composting and recycling to reduce all garbage to **only 1 bag of landfill for the entire school**
- Using CWA’s own dishware at events such as the Elderly Seniors Lunch to **reduce waste and**

empower students through Dish washing Eco-challenges, etc. etc.

Please feel free to submit to us any of your ideas or projects to help CWA become more Green. Anyone interested in joining or assisting the CWA Green committee can contact us by email through Ms. Lynn at lcloss@lbpsb.qc.ca

Let’s make everyday Earth Day at CWA 😊

Walter Chi-yan TOM Green Committee Coordinator

Lost & Found Update

Despite winter's relenting hold on spring, our bins in Lost & Found have been overflowing with winter items. There are also a number of jackets / sweaters found during the fall months. In order to help unlabeled items find their proper owners, our spring clean-up will be scheduled during April. However, in the meanwhile, we always encourage parents to look through the Lost & Found bins for anything familiar. Please remember to label all items with your child’s full name. All properly labeled items are returned to students.
