Feb 21	Subway Lunch
Feb 22	Term 2 Ends
Feb 25 – Mar 1	Staff Appreciation Week
Feb 27	Pink Shirt Day
	Home & School Mtg
March 4 – 8	March Break

Lice Check

Parents – we need your help in preventing the spread of this annoying problem. Should your child come home with a lice infection please remember to inform the school immediately. As well, we encourage all parents to regularly check your child's hair for knits (eggs) once a week. We need your help to make sure that we keep this health issue in check!

If you find that your child has lice, please call or e-mail Miss Lynn at lcloss@lbsb.qc.ca

CWA WEB SITE

Please note that our newsletter, calendar and any notices sent home are posted on the CWA web site every month. So if you need to look something up and cannot find the newsletter or notices just check out the web site at <http://cwa.lbsb.qc.ca/>

DRESSING FOR WINTER

Please remember to dress your children in proper cold weather clothes. Make sure that they have a hat, warm gloves, scarf, boots and winter coats. Please have your child leave an extra pair of shoes at school, as boots are not allowed in the classroom.

Children must have shoes to wear at school.

Parking Lot Safety!

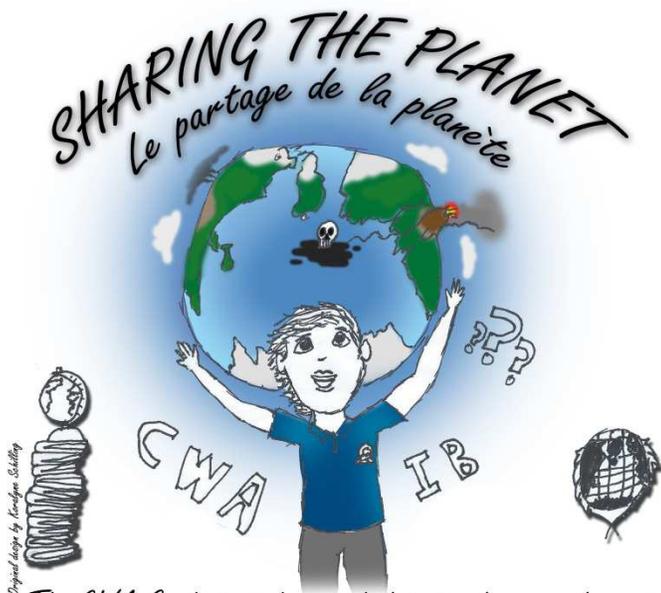

It's dark and the pavement can be slippery

- Be respectful of the handicapped parking spaces
- Do not drop children off in the morning before Miss Franca has opened the door
- Never leave younger siblings unattended in a vehicle while picking up student from daycare
- Teach your children to never cross through the parking lot (walk around using the sidewalk to the daycare door).
- **Please do not allow children to climb on Snow Mountain at the end of the parking lot.**

REMINDER TO ALL PARENTS THAT NUTELLA CANNOT BE BROUGHT INTO THE SCHOOL DUE TO ALLERGIES!

The CWA Grade 6 students and their teachers are happy to invite you to our Primary Years Programme Exhibition on the United Nations Sustainable Development Goals

CWA Gymnasium
Children's World Academy
2241 Ménard, LaSalle, Qc
H8N 1J4

Thursday February 7th, 2019 from 3:00 pm to 5:30 pm

Thank you for Koralynne S in 602 for her work on the above invitation

Coordinator's Corner

The Attribute of the Learner Profile that we are going to focus on in **February** will be **Caring**.

How can you help your child develop this attribute and how will he show it at school?

Caring	I help my child develop this attribute at home when...	My child demonstrate this attribute at school when...
	I give him/her responsibilities.	He/She volunteers to help.
	I show him/her the example (i.e.: community involvement, commitment, and civic-mindedness).	He / She is attentive to the feelings and needs of others.
	I encourage him/her	He/ She is capable

	to be helpful and to share with others.	to take good decisions and make it up to others when needed.
--	---	--

Being caring is also a way to demonstrate that you are capable to be reflective and take action. I am always happy to hear how our students have shown how they demonstrate the IB philosophy outside the school and the creative ways they have taken action either for themselves, their family and the school community. I look forward to hear from you!

Did you guess December's mystery staff member with the clues provided? If you guessed CWA's daycare technician "Mrs. Christina Arvanitakis", you would be correct! Here she is (on the right) with her twin sister!

Home & School Corner

Home & School would like to thank all those that came out for the CWA Family Skate Night at Jacques Lemaire Arena on Friday January 18, 2019. Lots of fun was had by all who attended!

We would also like to thank our Lunch volunteers for always being there to make sure our kids get their treats each and every time!

Save the dates, there is so much coming up:

Wednesday, February 13, 2019, at 7pm, will be our turn to get educated on Cyber issues from our very own CWA parent, Terry Cutler. He will open our eyes to the dangers that can exist in the cyber world-this is a free **Parent Conference** not to be missed! Coffee and treats will be served. An email will go out regarding registration.

The week of **February 25 to March 1, 2019** is **Staff Appreciation Week**. It is the time of year to give thanks to all our staff here at CWA for all they do for our children. More information to come home as to how you can help make this week extra special for our amazing staff.

Friday, March 15, 2019 is the **CWA Comedy Night**. Franco Taddeo and his crew will entertain our CWA community with their unique humor all night long. More details to follow.

Who Am I?

Who Am I?

Ready for the next **Who Am I?** With the help of the clues below, see if you can guess the identity of our mystery staff member. Look for the answer in next month's Globe.

Who Am I?

I was born in the month of April in France and grew up just outside of Paris with my younger brother and our "temporary pets", the dogs that my father would bring home (he worked in security and the dogs were his "co-workers"!). I attended École des Éguerets where my favourite subjects were French, Science, and Art. I loved writing fiction novels with my friends and dreaming up ways to build my own robot. In fact, I wanted to be an author of comic books or novels when I got older! I became a teacher (most interesting job ever!) where every day is an adventure! When I'm not teaching, I have so many hobbies that I enjoy: I love to skateboard (the feeling of speed on a ramp), and I love to build and paint miniature models and sets (I have a secret "vault" in my basement where I can work on these for hours!). Having grown up in France surrounded by so much history, I also love historical re-enactment: diving into the past wearing medieval-inspired armour and a sword. Some of my other favourite things include the color red, the Hobbit and Lord of the Rings movies, playing guitar and listening to a variety of music (rock, techno beat, Led Zeppelin, Queen, etc.), and "poutine"! On my days off, you'll find me playing with my daughters: I love to watch them as they go on adventures and use their imaginations to play! One last thing: talent and technique might appear easy, but getting there is a journey: the truth about success is it's all about practice.

Who Am I?

Happy Birthday!

CONTINGENCY PLANS

The Lester B. Pearson School Board will broadcast all cancellations on radio stations CJAD (800) and CBC (88.5), as well as Facebook, Twitter, and media outlets (CTV, Global, etc.). You can also check the board web site at <http://www.lbpsb.qc.ca/eng/home.asp>

In the event that school must close during the day due to an emergency situation (i.e. power failure, burst water pipe, etc.), parents or emergency contacts will be notified.

It may happen occasionally that you may be stuck in traffic or elsewhere on the way home, please discuss with your child what to do if he or she should come home and you are not there. All walkers, and students walking home from the bus on their own, must know where to go if no one is at home. Please discuss with your child what to do if he or she should come home and you are not there. Arrangements should be made with a neighbor or relative close by to ensure that your child is in a safe place in case something unexpected happens.
