Items optional **(please label to your child's name)**

- School bag
- Lunch bag
- Placemat
- 1 box of large or sandwich size resealable/zippered plastic bags
- 1 pair of headsets with microphone (if possible as it makes it easier for recording)

We recognize that labeling the material can be a tedious process. In our experience, involving the child in the labeling allows them to take **ownership** of the material and they

tend to be more careful with it in class, leading to less need for replacing lost items throughout the year. Thank you!
